

Whole Chiropractic regularly stocks a range of nutritional supplements from Anabolic Laboratories. (We can often special-order others, so if you don't see something you need, just ask us.) These vitamins and supplements are manufactured in a pharmaceutical plant, ensuring high quality in manufacturing processes (exceeds GMP) and guaranteed potency; they are available only from healthcare professionals.

We carry selected traditional supplements from **Maharishi Ayurveda**, too—including Ashwaganda, Digest Tone/Triphala Plus, Brahmi/Bacopa, and Tulsi—and for interested patients Dr Robertson sometimes recommends these products in conjunction with ayurvedic lifestyle and diet plans.

We also stock high-quality probiotics from Garden of Life (RAW), Bio-Freeze pain-relieving gel and orthopedic devices such as tennis elbow braces, Cho-Pat braces, home traction units, and IT band supports. Our sister company, **Whole Yoga & Pilates**, offers exercise aids such as stability discs and resistance bands in addition to yoga mats and props.
